DGS CIRCULAR NO. 60 OF 2025

CASUALTY INVESTIGATION BRANCH CIRCULAR NO.06 OF 2025

**PROMULGATION OF SAFETY VIDEO SERIES BY DG SHIPPING – HIGHLY
RECOMMENDED FOR ALL THE SEAFARERS AND TRAINEES**

The Directorate General of Shipping (DGS) has observed recurring safety lapses and incidents attributable to deficiencies in safety awareness by shipping companies, seafarers and trainees as evidenced by casualty investigations conducted by the Directorate. Therefore, in a first of its kind initiative to address these critical elements and standardize safety indoctrination, DGS has developed a comprehensive Safety Video Series to improve safety awareness across the maritime workforce, to help prevent recurrence of similar incidents by learning from past mistakes to institutionalise a safety-culture, embedding continuous learning and vigilance into training and day-to-day operations. This landmark project has been initiated by the Indian Maritime Administration with the aim of minimising accidents and incidents at sea. The safety video series will supplement the safety circulars and advisories being issued by DGS about the lessons learnt from the incidents.

2. Accordingly, all Maritime Training Institutes (MTIs), Recruitment and Placement Services License (RPSL) Companies, Ship-owners, Operators, Managers, and other concerned stakeholders must ensure immediate availability of the DGS Safety Videos to all seafarers, trainees, and new joiners under their supervision. These videos shall be integrated into the organisation's Learning Management System (LMS), pre-sea training, post-sea training, and safety indoctrination curriculum. Viewing of the videos shall be mandatory for all new joiners at induction or prior to joining a vessel. Further, MTIs and RPSL companies shall incorporate the videos into mandatory training modules.
